Frequently Asked Questions:

What are the requirements to be eligible for assistance?

The student should have six or more unexcused absences before a referral is made. If chronic tardies are a concern, assistance can be provided.

Is Focus on Attendance 'mandatory'?

No, it is a free and voluntary program. However, if the family declines any assistance and the school files a truancy citation, the Magisterial District Judge can offer it as an alternative to a fine. School staff can refer students/families involved with the courts in a child welfare case or a juvenile probation case with or without parent permission.

Who can make referrals to Focus on Attendance?

School personnel and Magisterial District Judges can make referrals to Focus on Attendance. However, if the Magisterial District Judge orders a student or family to work with Focus on Attendance, a referral form filled out by the school staff is still needed to ensure the best possible outcomes.

How do I communicate with Focus on Attendance staff?

Referrals are accepted electronically. A confirmation email is sent when the referral is received. If there are any questions, or concerns, please email Focus_Attendance@alleghenycounty.us.
