Report from Principals: Thank you to the PG! Clarification that the End of the Year Celebration on 5/31 is for grades 5-8 not 2-4, & the June 1 End of the Year Celebration is for grades 2-4. There will be more information coming from Ms. Cunningham regarding times, etc. Field Trip dates: Grade 3: Zoo on May 18, grade 4: Hines History Center June 1, grade 4 Tour Ed on June 5, grade 6: 3 Rivers Environmental Center, grades 7 & 8 DC June 6 DC. The question was asked if all grades will go to the same sites every year. Response- no, many factors play into which sites are selected & available in a given year though 3rd grade will always go to the Zoo.

Discussion:

This year the PG supported the following events/department: Sport Day, Book Fair, PBIS (house shirts for the teachers), uniform closet, art dept, Foam blocks, 3 pottery wheels, ice cream social, t-shirts for musical, TKD (\$2,205), \$750 to the students council for middle school dance (\$500 annually + budgeted an additional \$250 for reusable items for future years), Kona ice truck, \$365 into field day, 8th grade graduation. There was a lot of volunteer participation this year! Thank you everyone for making all this possible!

Thank you to all helpers! If anyone wants to be involved let Jamie know- there is still a need for help with set up (mocktail drinks need to get from 5 gallon containers into small pouches) -there was a discussion of this happening Tuesday afternoon when volunteers are already at the school for the book swap.
