With the daily choices we also have cereal daily, or a breakfast bento box (hardboiled egg, yogurt, belly bears), bagel with jelly and cream cheese, a choice of milk, fruit and juice daily. In order for the meal to be free students must have a reimbursable meal and take 3 out of the 4 offered items. One of those must be a fruit or vegetable. If not, a full reimbursable meal we must charge A la carte per item. Staff will be there to help insure the student has what they need.
