

Wilson Reading System® Introductory Course

Over three consecutive days this course will examine how the Wilson Reading System® addresses the teaching of phonemic awareness, word identification vocabulary, fluency, and comprehension through an integrated study of phonology, morphology, and orthography with students in grades two and above. This course provides hands-on practice and application of skills with the WRS Lesson Plan to effectively begin implementing the program.

- Available for one graduate credit through Fitchburg State University
- Cost: \$725 per person
- Act 48 Hours (16.5 Hours)
